Memorandum

TO : Director of Training

DATE: 24 September 1965

FROM : Chief, Career Training Program

SUBJECT: Weekly Activities Report #28

A. SIGNIFICANT ITEMS

1. Through the good offices of [REDACTED] I was introduced on 23 September to Mr. John Cookson, Chief of the Foreign Languages Branch of the National Defense Education Act Fellowship Program, U.S. Office of Education. Mr. Cookson has jurisdiction over the records of all students who hold or have received NDEA fellowship awards for the study of modern foreign languages, and has offered to make the records available for our review. I looked at a sampling of folders this morning drawn from the more than 200 students who hold '65 - '66 awards for graduate-level study of Chinese, and was much impressed both with the amount of information available on each student and the very high level of qualifications reflected. 25X1A

CTP HAS ALREADY REVIEWED

Going over the records will be a time-consuming process, particularly since no more than one or two people should go to work on them at a time, to avoid getting in the way of Mr. Cookson's small staff, but I think we can manage it within a week or so. I am coordinating with the Recruitment Division, the DD/I offices concerned, and [REDACTED] Our immediate objective is to draw up a target list of candidates, and then to organize the recruitment effort. I will follow this closely and keep you informed. 25X1A

2. I will go to [REDACTED] on 24 September to discuss arrangements for the 18 - 19 November conference of University Associates. A further statement on the CTP recruitment situation which I had expected to present this date will therefore be deferred until early next week.
